

2014-1 Student Representative Application

- 1. Name : Joshua T. Onifade**
- 2. Semester : Third semester**
- 3. Nationality : Nigeria**
- 4. Department : IDC**
- 5. Motivation and plan**

My aspiration for applying as the student representative is to work together with the GSIS student and look for possible ways for positive improvement and transformational change which I believe can only become a reality only when we rise to take up responsibilities for GSIS to see the desired change.

I am therefore of the determination to work together with the GSIS administrations and the student for an inspiring, dynamic, transformational and positive change, so that we can altogether have a maximum benefits and fulfillment.

Thanks.
