

2014-15 Student Representative Application

1. Name : MBIANKOUAN TEM VALERY MBATKAM

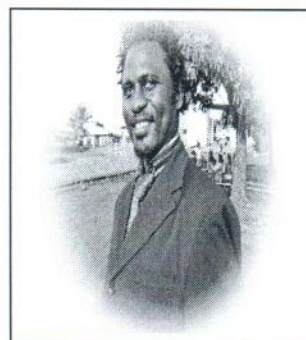

2. Semester : Fall semester 2014

3. Nationality : Cameroonian

4. Department : International Business

5. Academic performance : 4.06 /4.5

6. Motivation and plan

I will	I will achieve this when
Work with GSIS staff to organize the next international celebration event.	-International event is planned and takes place.
Identifying Needs Work with GSIS Staff and students to identify the needs and issues of International students and lobby for improvements to the international student experience.	- Needs and issues are identified. - Lobbying activity takes place.
Student Services Work with other representatives and officers to promote the range of student services offered by the college and local organizations.	- Activities take place and services are successfully promoted.
International Student Meeting Coordinate a mass meeting of international students to discuss issues of importance to them..	-The meeting takes place.
Positive Student Morale Get more students involved with peers and faculty in the university environment, this tends to have much higher student achievement, aspiration, and retention rates.	-Students get more involved with extracurricular activities that are being offered to them. For example: getting each student representative of each department to form and soccer team and plan a soccer tournament.
